introducing comparative literature  
new pdf - Comparative literature  
is an academic field dealing with  
the study of literature and cultural  
expression across linguistic,  
national, and disciplinary  
boundaries. Comparative  
literature "performs a role similar  
to that of the study of  
international relations, but works  
with languages and artistic  
traditions, so as to understand  
cultures 'from ...
